2. react js
3. HTML
4. CSS
5. Javascript
6. Express js

Hobbies & Interests

1. playing cricket
2. reading
3. music
4. coding
5. learnig new things

Projects

PostX – Full-Stack Social Posting Web Application

Developed a responsive full-stack web application that allows users to create, view, edit, and delete social posts in real-time. Implemented user authentication, dynamic profile pages, and a live feed using Node.js, Express.js, MongoDB Atlas, EJS, and Tailwind CSS. Integrated features like likes, comments, and post filtering. Focused on clean UI/UX, live updates, and efficient database operations to provide a seamless user experience.
